

Policy Summary

State Compliance Policy (SCP) 3.5

As part of its' responsibility to provide guidance and direction to the Local Workforce Development Areas, the Department of Employment, Training and Rehabilitation (DETR) follows federal guidance in creating policy to implement the Workforce Innovation and Opportunity Act (WIOA). These policies are necessary for efficient and stable operations of the workforce system in the State of Nevada. As such, DETR has provided SCP 3.5 to the Governor's Executive Committee for review and approval of non-substantive changes.

This policy provides guidance on contract and subgrant closeout procedures for WIOA funded activities. Prior to this revision the policy stated WIA references, these have all been updated according to WIOA law, and the current Code of Federal Regulations (CFRs) have been included. These references now have imbedded links, to ease accessibility. Additionally, the formatting needed to be updated to current standards. This policy is being revised for compliance and to provide clear and concise guidance to the LWDBs for local area policy development.
