

## **Policy Summary**

### **State Compliance Policy (SCP) 4.7**

As part of its' responsibility to provide guidance and direction to the Local Workforce Development Areas, the Department of Employment, Training and Rehabilitation (DETR) follows federal guidance in creating policy to implement the Workforce Innovation and Opportunity Act (WIOA). These policies are necessary for efficient and stable operations of the workforce system in the State of Nevada. As such, DETR has provided SCP 4.7 to the Governor's Executive Committee for review and approval of non-substantive changes.

The purpose of this policy is to transmit procedures to be used by all Employment and Training Administration (ETA) grant recipients for immediately documenting and reporting allegations of fraud, program abuse or criminal conduct involving grantees or other entities and sub-recipients receiving Federal funds either directly or indirectly from ETA. The Code of Federal Regulations (CFRs) have been updated to reflect the correct sections, since updated by the Office of Federal Register (OFR). References throughout now have imbedded links to ease accessibility. Training and Employment Guidance Letter (TEGL) 02-12 has been rescinded and replaced with TEGL 15-23 and SCP 5.2 was added for reference. Also, broken links have been removed from the policy. This policy is being revised for compliance and to provide clear and concise guidance to the LWDBs for local area policy development.
