

Policy Summary

State Compliance Policy (SCP) 5.2

As part of its' responsibility to provide guidance and direction to the Local Workforce Development Areas, the Department of Employment, Training and Rehabilitation (DETR) follows federal guidance in creating policy to implement the Workforce Innovation and Opportunity Act (WIOA). These policies are necessary for efficient and stable operations of the workforce system in the State of Nevada. As such, DETR has provided SCP 5.2 to the Governor's Executive Committee for review and approval of non-substantive changes.

The purpose of this policy is to transmit procedures and the reporting form to be used by all Employment and Training Administration (ETA) grant recipients for documenting and reporting allegations of fraud, program abuse or criminal conduct. References have been updated throughout and now have imbedded links to ease accessibility. Training and Employment Guidance Letter (TEGL) 02-12 has been rescinded and replaced with TEGL 15-23 and SCP 4.7 was added for reference. The PDF links directing users to the Incident Reporting form and it's instructions were broken. They have been replaced with one link that provides the same information from the Office of Inspector General (OIG). This policy is being revised for compliance and to provide clear and concise guidance to the LWDBs for local area policy development.
